

RESC® Regional Engineers & Scientists of Cincinnati

Membership Application

The qualification for "Member" is an engineer, scientist, or individual who qualifies by virtue of education, license, interest or vocation. In the event of any question of eligibility of an applicant, the Control Board will make the final determination.

1. A graduate of an engineering or scientific school.
2. A Registered Professional Engineer or Scientist.
3. A present or past member of an engineering or scientific society.
4. A person who has a background kindred to engineering or scientific professions.

The membership dues are a modest \$15.00/year, \$7.50 after January, and due in October of each year. Those who participate in golf activities will pay course fees in addition to an annual fee of \$5.00 to fund the prizes. Checks shall be payable to "RESC" and mailed to or delivered to the Treasurer at the October meeting. Eligibility for all events is limited to members and sponsored guests.
