## GLENN SAMPLE KNOWS THE SCORE !

Glenn Sample, Cincinnati Reds official score keeper, is the RESC speaker for January. He will share some great Cincinnati Reds stories especially since 1980 while working with Cincinnati Reds radio announcers Marty Brenneman and Joe Nuxal.

Glenn was a University of Cincinnati All-American linebacker for the legendary Sid Gillman in the early 50's. He has also been inducted into nine Halls of Fame and has received many other awards. He graduated from Western Hills High School in 1949 where he excelled in football, baseball and basketball. His enthusiasm for his early life in the Western part of Cincinnati, his faith and sports will entertain you.

He is one of the most dynamic speakers you will hear, not to mention the unbelievable magic tricks he incorporates into his message.

### LUNCHEON PARKING

Evergreen will have their van circling the driveways and parking areas to transport you to the main entrance. Simply stand by your car and wave as it approaches. Also, those parking along the driveways may park perpendicular instead of parallel to increase parking spaces.
