Jack Clock

Well here goes with the second edition of the newsletter. The first one got off with a shakie start. There were several errors that I was aware of and some of the members called them to my attention. The meeting day and date did not agree. I am learning. The regular luncheon is always on the third Tuesday and the board meeting is always on the second Tuesday. Plant tours are on what ever day that they can schedule them.

Speaking of tours, I would like suggestions on possible tours. If you have a tour that you particularly like please let me know. If you have a contact at that business that is even better. I have agreed to take over the tours this year, but was not able to line up anything for this month on such short notice. I am working on a tour for January, 2003.

We now have the October, 2002 newsletter on the RESC website. By the time you read this, the November newsletter will be there also. Check it out at www.resc-online.org

Hope to see you at the November 19, 2002 meeting. Have a safe and happy Thanksgiving and don't eat too much!

The 39 members of the golf group wish to express their appreciation to Enos Hayes for the planning and arranging of the golf outings for the last five years. Enos created and sent out announcements for the various outings. He made up the contests and lined up the outing coordinators. He, along with his helper, Dick Hertzog, placed all the contest markers on the appropriate holes and collected them after all golfers were in. He also arranged for the prizes and awarded the prizes to the contest winners.

We wish to thank the golf outing coordinators for their help at each outing:
